

Game Summary:

This game is an action RPG third-person shooter with elements of real-time strategy.

Story:

The story is set in the distant future, where one leader leads the planet's empire. It follows the young man (Casidus) on a journey of revenge as he seeks out the Eclipse Saber, a weapon with unlimited power.

After his village is destroyed and his planet taken over by the Durant Empire, Casidus escapes with his younger sister(Samera), vowing to stop the Durant Empire's lust for galactic conquest.

This excerpt depicts the chapter of the Traitor's Journey. Casidus has spent years in confrontations with the Durant Empire. Unable to obtain a complete victory or acquire the Eclipse Saber, Casidus and Samera are joined by other skilled warriors. The party has gathered intel on the weapon's whereabouts and plans to travel to the barren planet.

Characters

Casidus Dreadnaught: A Rebel Leader

Samera Light-Drifter: Casidus' sister and a machine whisperer

Waylen The Hunter: The Bounty Hunter

Quinn: Waylen's Cousin

Garren The Immovable: Retired War General

Phoenix The Mover: The Planet Procurer

Script

Casidus, along with his sister Samera and fellow recruits Garren and Waylen, discover the location of the Eclipse Saber. A weapon said to have the power to turn the tides of the galactic war.

There is 1 hour left for the group to leave the planet Creete. 1 hour left for Waylen to see his family he's been running from for a decade.

Choices:

1. Go see Waylen's family
2. Proceed with Mission

Choice 1: Go see Waylen's family.

Casidus

Waylen. Now's a good time for you to see your family. What's holding you back?

Waylen

Nah, it's nothing. Not important at all. Let's just go.

Samera

Why not? You'll never get a chance to see them again. Plus, I would like to see this family you've been hiding from us.

Waylen rubs the back of his messy golden locks, seemingly adverse to the idea. When his eyes open, Samera stares at him with intrigue.

Waylen

Ok. Ok. You don't have to look at me like that. Let's make it quick. My family is a rowdy bunch.

>> Branch 1.

Choice 2: Proceed with the Mission toward the planet Asabos

Samera

I wish we had time to visit your family.

Waylen

No big deal. We have bigger things to worry about.

Casidus

We still need to prepare the ship. We only need two of us here, if you want to go.

Waylen

No, no. Let's get this show on the road. Ok?

>>Branch 2.

>> Branch 1

Starlit Rebel Script

Brett Knox

Casidus and Samera join Waylen on his Wave Rider. The aircraft sat only three people, which was perfect for light traveling.

In the distance is a dismal farm. There was a long barn house, with a windmill out front. Behind the house was an array of giant greenhouses.

Waylen lands his craft just outside the house.

Casidus

What exactly does your family do? There is shit out here.

Waylen

They grow sugar cane. Some of the best sugar cane in the galaxy.

Samera

Out here?

A big burly man walks out of the barnhouse.

Waylen

There he is.

Waylen shuts off power to the waverider and the group disembarks.

Waylen

Quinn!

Quinn

The bastard finally decides to show up after all these years. Come here, little cousin.

Waylen and Quinn give each other a hug. The two separate and Quinn lands a huge right hook across Quinn's face. Waylen keeps his balance and smiles.

Quinn

That's for dodging everyone for the last 10 years.

Choices:

1. Wait and see
2. Hurry to Waylen's side.

Choice 1: Wait and See

Waylen
I deserved that.

Quinn
It's good seeing you, Waylen.

Waylen
Tell that to your right hand.

Casidus and Samera slowly approach, catching Quinn's eye. Waylen turns to his cohorts.

>>

Choice 2: Hurry to Waylen's side.

Casidus reaches for his blaster. Samera runs to Waylen's side and comforts him.

Waylen
Wait! Wait! It's all good. I deserved it.

Quinn
Yeah you did. But, it's good seeing you, Waylen.

Casidus puts his blaster away.

Casidus
That's one hell of a hello.

Waylen
Well, we've always been like that. Right, Quinn?

Quinn
(sarcastically) Right.

>>

Starlit Rebel Script
Brett Knox

Waylen

This is Casidus and Samera. Brother and sister.

Quinn shakes Casidus' hand followed by Samera.

Casidus

Good meeting yah.

Samera

It's a pleasure.

Quinn

Pleasure to meet you two. Not sure why yall are running around with this sorry ass, but it can't be good.

Waylen

We can't get into much. You know, the less you know...

Quinn

Yeah, Yeah. The better.

Waylen

Right. We were just in town. I thought I'd come see you all.

Quinn

Mostly everyone is at work. Some in the greenhouse, the others distributing sugar cane to our clients.

Waylen

So, business is good.

Quinn

It's good. Why don't you take your friends to take a look at the greenhouse?

Samera

We'd love to.

Casidus

You guys go ahead.

Starlit Rebel Script

Brett Knox

Waylen and Samera leave to check out the greenhouse. Waylen looks over his shoulder at Casidus. Casidus waves back. Waylen nods and he and Samera head towards the greenhouse.

Quinn

Must be pretty nerve racking with him as your companion.

Casidus

He's grown on us.

Quinn

That's a surprise.

Casidus

Why?

Quinn

I'm going to be straight with you. I love Waylen as family, but I never trusted him. Even as kids Waylen used to scurry off to avoid getting punished with the rest of us. Turns out he would snitch to get himself out of trouble. I'm sure it was hard for him growing up being abandoned by his parents, but some things you always remember.

Casidus

So what was it that has you telling me this? I'm sure you're not holding a grudge since you were kids.

Quinn

That Waylen... He stole from my dad, his uncle to get off this planet. My dad needed that money to invest in growing spices. My dad struggled, but we managed. Then 7 years later, Waylen shows up with a bunch of money.

My dad didn't want it and could never forgive Waylen. I took the money for him. When my dad passed, I took Waylen's advice to grow sugar cane. This farm has sustained the family for the last 10 years.

Casidus

Sounds like a tough life you all had to live.

Quinn

Starlit Rebel Script
Brett Knox

Yeah. Waylen more than made up for what he did, but I'll never forget the lengths he'll go for something that he wants.

Waylen and Samera emerge from the greenhouse. They walk over to rejoin the group.

Choices:

1. Observe.
2. Hurry things along.

Choice 1: Observe.

Waylen

Hope my cousin didn't tell you any embarrassing stories.

Casidus

No. Just how you came through for the family. It's good to have people who'll look out for you around.

Samera

Quinn you have an amazing farm.

Quinn

Thanks. Are you sure you don't have time for dinner? I make a mean carrot pie.

Waylen

No, we gotta fly. Good seeing you Quinn.

Quinn

Yeah take care of yourself.

>>

Choice 2: Hurry things along.

Casidus

Bout time you got back.

Samera

Stop rushing, Casidus. You can still have a good time every now and then.

Starlit Rebel Script
Brett Knox

Casidus
Hopefully not too good of a time.

Casidus stares down Waylen.

Waylen
Nothing happened. I just showed your sister some good things.

Waylen pats Casidus on the shoulder. Casidus' eyes squint.

Samera
Calm down bro. Nothing happened.

Casidus
Get on the ship, and let's go.

>>

>> Branch 1 end.

>> Branch 2

Waylen helps rebel soldiers pack equipment onto the ship. Casidus and Samera head to the bridge of their ship to enter the destination for Asabos.

Casidus
Ok, sis. This is it. The last planet before the big mission.

Samera
(wistfully) Yeah...

Casidus
What's up?

Samera
I feel for Waylen. To be so close to family and not be able to see them...

Choices:

1. Joke about having feelings for Waylen.

Starlit Rebel Script
Brett Knox

2. Focus on the mission.

Choice 1: Joke about having feelings for Waylen

Casidus

I didn't think he was the type you'd fall for.

Samera

What? No. I just thought about if we had the same chance as Waylen does now. I'd take it.

Casidus

Not everyone is close to their family. If he wants to go. He can go. He's a big boy.

Samera

I know but...

Casidus

We should focus on the mission. Then we can all go back to our families.

Samera

Right. Setting a course to Asabos.

>>

Choice 2: Focus on the mission.

Casidus

When this mission is over, we can all go see our families.

Samera

We can die on this mission! Don't you think now is the best time for some of them to find happiness before we go risking our lives.

Casidus

He's a big boy. He can make his own decisions.

Samera

Wow, Casidus. You can be cold sometimes.

Starlit Rebel Script
Brett Knox

Casidus

Get your head in the game, sis! If we don't do this mission, none of us are going to be able to have a life.

Samera

The mission. The mission. That's all you talk about.

Casidus

That's not true...

Samera

(snobbishly)Setting a course to Asabos.

>>

After uploading the coordinates to Asabos, Casidus heads to the cargo hold to help finish loading supplies onto the ship.

Waylen walks up to the cargo ramp, appearing distraught.

Casidus

You good?

Waylen

Oh yeah. It's nothing. Just nervous about having everything we need.

Casidus

Same. Did you see your family?

Waylen

Nah, I just gave them a call. They understand. I haven't been home for a while. So they weren't expecting me anyway.

Waylen enters the ship, while Casidus assists in loading the ship with the remaining supplies.

A few minutes after finishing loading the ship, Casidus returns to the bridge and overhears the conversation between Samera and Waylen.

Starlit Rebel Script
Brett Knox

Waylen

When this is over you want to come with me? There's an entire side of the galaxy for you to see. The side where you're not hiding in the slums or in fear for your life.

Samera

I don't know... To leave Casidus' side after all we've been through. We have a lot of rebuilding to do when this is over.

Waylen

At some point in time, you need to live your own life. Free to do your own things. Free of revenge.

Waylen gets close to Samera and gently places a hand on her face.

Choices:

1. Interrupt casually.
2. Surprisingly interrupt.

Choice 1: Interrupt casually

Casidus knocks on the bridge door frame and clears his throat.

Samera
Casidus?

Samera and Waylen separate and appear flustered. Waylen brushes the back of his head.

Casidus
What's going on here?

Samera
None of your business.

Waylen
I'm going to go.

Casidus
You should.

Starlit Rebel Script

Brett Knox

Waylen leaves the bridge

Samera

How much did you hear?

Casidus

Not much. Just saw you two about to kiss. Just wanted to make sure that he wasn't trying to put the moves on you. With you not liking him and all.

Samera

Everything is ready. So let's get on with the mission.

Casidus

Whatever you say.

>>

Choice 2: Surprise them

Casidus storms into the room.

Casidus

Hey! Everything is good to go. Oh, what are you two doing here?

Samera and Waylen separate and appear flustered. Waylen brushes the back of his head.

Samera

Nothing.

Casidus

Oh, ok. Thought you were making moves on my sister for a second.

Waylen

I was actually just leaving.

Waylen leaves.

Casidus

What's up with him?

Starlit Rebel Script
Brett Knox

Samera

Don't worry about it. You said everything was ready, so let's get a move on it.

Casidus

Whatever you say.

>>

After riding their ship for a few hours, Casidus, Samera, and Waylen are joined by Garren on Waylen's Waverider. Connected to the Waverider was Casidus' Drifter. They detach from the main ship and fly off to the sand planet of Asabos.

Surrounded by a violent whirlpool of sand, the top of the sand temple is visible. The group lands outside of the sandy whirlpool and disembark.

Samera

This is insane.

Garren

How the hell are we going to get down there?

Sand spews from the whirlpool. The remains of stone and machinery swirl around the temple.

Waylen

We're not getting through all of that sand without special equipment. I know a guy that can help. He owes me one. I can have him here in about four hours.

Casidus

Would have been good to know we'd run into a sea of sand to get the saber.

Samera

I'll try to locate it.

Samera uses her power to communicate with machinery, triggering the activation of the Eclipse Saber. A beacon of light shoots from the top of the temple.

Casidus

Of course, it's at the top of the temple.

Samera
So what do we do?

Choices:

1. Retrieve the Eclipse Saber.
2. Wait for Waylen's contact.

Choice 1: Retrieve the Eclipse Saber

Casidus
Simple enough. I'll just go down in my Drifter.

Samera
You can't! That's way too dangerous.

Casidus
We don't have time to wait. We don't even know for sure Waylen's friend can even get us down there.

Garren
Casidus, you're being too rash. We should weigh our options.

Casidus returns to the Waverider and boards his Drifter.

Casidus
I'm going.

Casidus walks his giant mech to the edge of the whirlpool.

Choices:

1. Use your instinct.
2. Proceed with caution

Choice 1: Use your instinct.

Starlit Rebel Script
Brett Knox

Casidus leaps into the whirlpool in his Drifter. He allows the waves to carry him deeper into the center of the shifting sands. Casidus feels the irregular movement within the sand and dodges the explosions.

Choice 2: Proceed with caution

Casidus leaps into the whirlpool in his Drifter. He carefully waits, avoiding all of the debris. An explosion of sand rocks his machine. Objects slam into the machine until Casidus regains stability.

Casidus stops forcing his way down the whirlpool and instead allows the sand to take him around the hole.

>>

Casidus lands his Drifter on the edge of the temple and climbs the rest of the way. Samera reaches out to Casidus over their communicators.

Samera

You don't have much time. The tide will change soon, and the sand will suck you in.

Casidus

Thanks for the heads up.

Casidus reaches the top of the temple and faces a small machine. Within the machine was a levitating sword. Casidus pulls the sword from the glowing light, causing the beacon to dissipate.

Casidus

I got it. I'm heading back up.

>>1

Choice 2: Wait for Waylen's contact.

Casidus

We don't have four hours, but... Are you sure your friend can help?

Waylen

I can try to convince him to put a rush on it. Cross your fingers.

Waylen steps away and makes the call on his Waverider. The group sets up camp. Anything was better than trying to navigate down the rushing pit of sand.

Choices:

1. Trust in Waylen.
2. Bring up suspicion on Waylen (Only available if you visited his family).

Choice 1: Trust Waylen.

Samera

Aren't you glad we brought Waylen with us?

Casidus

Yeah. He's gotten us out of some tight places.

Garren

Yeah, he's a bit rough around the edges. All I can think of now is what do we do after the war is over.

Casidus

We're not out of the clear just yet.

Samera

I'd like to travel and see the other side of the galaxy.

Casidus looks at Samera with sullen eyes.

Garren

I'm going to go have a bunch of kids. Like 9 or 10 of them.

Samera

You gotta find a wife first.

Garren

Who needs a wife? I just need someone that I can come home to visit after traveling around the galaxy.

Starlit Rebel Script
Brett Knox

Casidus

I'm sure we'll all find something. That's why we're fighting right?

Samera and Garren
Right!

>>

Choice 2: Bring up suspicion on Waylen.

Garren

Man, that Waylen. He's really resourceful.

Casidus

Yeah. Maybe a little too resourceful.

Samera

What are you trying to say? We can trust him.

Silence.

Garren

What's wrong, Casidus?

Casidus

Waylen is able to navigate this world a little too easy. That's impossible. At least not without getting your hands dirty. I'm talking about deep to the core kind of dirt.

Samera

You don't know him enough to say that. So lay off the accusations.

Casidus

No! You need to wake up. What exactly does he benefit from helping us? If he's the great person you seem to claim he is, then helping us can only endanger him more. A selfish man like him would do anything to avoid that.

Garren adjusts the missile launcher on his back. His silence was more than enough acknowledgment to Casidus' assumptions.

Starlit Rebel Script

Brett Knox

>>2

Waylen returns to the camp.

Waylen

Good news! My friend says he can be here in less than an hour.

Garren

How'd you manage that?

Waylen

The guy got his hands on some new tech. He should be able to warp here in no time.

Casidus

And no one can track him?

Waylen

Guy has some new stealth device. It should come in handy when we hit the empire.

>>

45 minutes pass and a ship breaks through the atmosphere. It descends on their location.

Samera

Wait isn't that our ship?

Waylen

Should be. Guess I didn't tell you. They didn't want to risk their own ship, so we're going to have to face the danger ourselves.

The ship parks next to Waylen's *Waverider*. The cargo door opens up and spits out a legion of Darant troops. The troops were led by none other than "The Mover".

The Mover

Looks like we've finally caught up to those pesky rats. Restrain them.

Before Casidus could draw his weapon, Waylen points his blaster at him. Darant troops surround them. The rest of Casidus' crew is pushed out from the ship at gunpoint.

Garren

Waylen, you piece of shit, traitor.

Waylen

Sorry, but this is reality. It's just how things are. No hard feelings.

Samera

But, why? I thought you wanted to help!

Waylen

It's just too dangerous to side with Rebels. And not really affordable.

The Mover

No words from your leader.

Samera

Casidus. I'm sorry.

The Mover

Put them to their knees.

The Durant troops shove, bash, and beat Casidus and his crew until they fall to their knees.

Phoenix

What's it going to be Casidus, you or the saber?

Choices:

1. Stall
2. Self Sacrifice
3. Reveal the location of the Eclipse Saber
4. Relinquish the Eclipse Saber

Choice 1: Stall

Phoenix

So, where is it?

Casidus
Your dog didn't tell you where it was?

Phoenix
(laughs) You're funny Casidus.

Waylen
Just tell him where it is. You're not some savior. You're just a man.

Casidus
And you're not even a man.

Phoenix smashes his cane into the side of Casidus' head.

Phoenix
Your mouth is moving, but you're not telling me what I want. I never! Ask twice.

Phoenix pulls a blaster from one of the soldiers and shoots Garren in the head. Casidus and his crew is left demoralized. Casidus looks around at his crew.

Phoenix
I can continue.

Before Phoenix could fire his weapon, Samera uses her gift to speak to Casidus' Drifter. The Drifter flies and rams into Phoenix. The mech fires bullets into the Durant troops.

Casidus pulls out his blasters. The game switches to a third person action shooter. Casidus and his crew battle against Phoenix and the Durant troops.

>>

Alternate: Choice 2: Self Sacrifice

Casidus

...

Starlit Rebel Script

Brett Knox

Phoenix pulls a blaster from one of the soldiers and shoots Garren in the head. Casidus and his crew is left demoralized. Casidus looks around at his crew.

Casidus

So if I kill myself, you'll let everyone else go?

Phoenix

Hmm... The last hope for the galaxy is slain by the only object that can stop the Empire.
Sounds like a poetic end to a pathetic resistance.

Phoenix thinks for a moment.

Phoenix

It's a deal. Let this serve as a reminder that resisting the Empire is impossible.

Samera

Casidus don't!

Casidus removes the Eclipse Saber from its cloth and turns it on himself.

Waylen

Don't worry about your sister. I'll take care of her.

Casidus plunges the sword into his chest. Blood spurts from his mouth and Casidus slowly falls over. Blood slowly coats the glistening blade.

Phoenix

Wow. He actually did it. Ok, kill the rest of them.

Waylen

But you said...

Phoenix fires his blaster at Waylen's chest.

Suddenly, a blast of light explodes from Casidus. When the light clears, Casidus illuminates with a pulsating azure glow.

Phoenix

It can't be.

Starlit Rebel Script
Brett Knox

Samera uses her gift to speak to Casidus' Drifter. The Drifter flies and rams into Phoenix and the mech fires bullets into the Durant troops.

Casidus tightens his grip around the Eclipse Saber. The game switches to a third person action shooter. Casidus and his crew battle against Phoenix and the Durant troops.

>>

Choice 3: Reveal the location of the Eclipse Saber

Casidus

...

Phoenix pulls a blaster from one of the soldiers and shoots Garren in the head. Casidus and his crew is left demoralized. Casidus looks around at his crew.

Phoenix
I can continue.

Phoenix points the blaster at Samera.

Casidus
Wait!

Phoenix removes his blaster from Samera's head.

Phoenix
Go on.

Casidus
It's down there in the whirlpool of sand. It should be in the temple.

Phoenix
Was that so hard.

Casidus
Let everyone go.

Starlit Rebel Script
Brett Knox

Phoenix
Let everyon go. Please!

Casidus
Please.

Phoenix
Ok.

Phoenix routinely shoots Casidus' crew until it is just Casidus and Samera. Phoenix aims the blaster at Samera.

Waylen
Wait, you said you'd spare her.

Phoenix
Right. I did say that.

Phoenix fires his blaster at Casidus. Killing him. Samera is taken captive by the Durant troops, unable to cry due to shock.

>>

Choice 4: Relinquish the Eclipse Saber

Casidus
...

Phoenix pulls a blaster from one of the soldiers and shoots Garren in the head. Casidus and his crew is left demoralized. Casidus looks around at his crew.

Phoenix
I can continue.

Phoenix points the blaster at Samera.

Casidus
Wait!

Starlit Rebel Script

Brett Knox

Phoenix removes his blaster from Samera's head.

Phoenix

Go on.

Casidus

It's here.

Casidus unravels a large cloth, revealing the Eclipse Saber and its glow.

Phoenix

Was that so hard.

Casidus

Let everyone go.

Phoenix

Let everyon go. Please!

Casidus

Please.

Phoenix

Ok.

Phoenix routinely shoots Casidus' crew until it is just Casidus and Samera. Phoenix aims the blaster at Samera.

Waylen

Wait, you said you'd spare her.

Phoenix

Right. I did say that.

Phoenix shoots Waylen in the chest.

Phoenix

You said you'd help me get the Eclipse Saber. But dear Casidus brought it to me.

Starlit Rebel Script

Brett Knox

Waylen dies. His eyes frozen wide open.

Phoenix

Now. Thank you Casidus and you're welcome. You got to see this traitor die. The
revolution dies with you.

Phoenix shoots Samera then Casidus.

>>
