

JEAN storms out of the Side A Simulation Room and locks on to WARREN, exiting the Side B Simulation Room. WARREN's lack of enthusiasm pisses JEAN off more.

JEAN

What the hell! You think you're some kind of badass, don't you?

WARREN
(Nonchalant)
Not really.

JEAN's face crinkles more, his fists tighten, and he grunts. WARREN looks out the corner of his eye.

JEAN

I don't need some lame ass like you showing me any mercy!

The room grows silent. The other STUDENTS wait for a scuffle between JEAN and WARREN to ensue.

JEAN
(Scoff)

How did you beat me anyway?

WARREN
(Slowly)

Look... I lured you in cause you're a hothead... I let you wear yourself out. Our more capable fighters flanked the rest of your unit, leaving you easy pickings.

JEAN

Damn, he's right, I thought

JEAN's hands uncurl, and his face relaxes.

WARREN

The best way to beat a lion is to strip him of his pride.

STUDENT A

Yo, did you hear that?

STUDENT B

Wow, WARREN beating JEAN is insane.

WARREN beat JEAN. That's insane.
